

ROUTE 2: AMBER ROUTE

21.02.2018

AMBER, known as the Gold of Baltic Sea can be found in museums, in churches, and on the stalls on the streets. It can be found virtually everywhere in Pomerania. The magic stone has a strong background in local culture. This is not surprising, as amber has been collected and processed for centuries on the Baltic Sea.

10:00	Gathering at the meeting point (Amber Expo parking)
10:00 – 10:30	Walk to the Main Town
10:30 – 11:30	Visit to the Amber Museum
